**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please know that I'm in favor of internet competition. In my area we have few choices for ISP. I use Sonic because the cost is less and the service is better. Please keep the industry competitive. By the way I live in Oakland, California and I've used the more expensive services, Comcast and ATT. Their prices were high and their service was poor. In Europe and Japan internet service is much less than in the US. Please don't let these monopolies gouge the consumer.

Thanks,

TERRY ANTHONY
